Objective

Seeking a Full Stack Developer role in a dynamic organization to apply my expertise in Java, Spring Boot, React, and MySQL to design, develop, and deploy scalable and high-performance web applications.

Experience

- Avyakti Tech**
06/10/2025 - 06/04/2026
Java Full Stack Trainee
Successfully completed a 6-month Java Full Stack Development training at Avyakti Tech. Acquired practical knowledge of Java, web technologies, and database management while strengthening programming, debugging, and software development skills.

Education

Course / Degree	School / University	Grade / Score	Year
Bachelor of Technology	Bhadrak Institute of Engineering and Technology, Bhadrak	80%	2026
12th	Rameswar Higher secondary school, Randia	74.5%	2022
Matriculation	Kaupur High School, Kaupur	64%	2020

Skills

- Languages: Java, JavaScript, HTML5, CSS3
- Frameworks/Libraries: Spring Boot, React.js
- Databases: MySQL
- Data structure and Algorithms for problem solving
- Tools: Git, GitHub, VS Code, Eclipse IDE, IntelliJ IDEA, Postman

Projects

- Web based Quiz-System**
Developed a responsive web-based quiz application for MCQ-based assessments with real-time scoring and result tracking. Implemented user authentication, timed quizzes, and an admin panel for quiz management.
Tech Stack: HTML, CSS, JavaScript, PHP, MySQL
- Fraud Detection System**
Developed a Fraud Detection System to analyze transaction data and detect suspicious activities using rule-based anomaly detection. The system identifies irregular patterns and generates alerts to prevent fraudulent transactions.
Tech Stack: React.js, Java, Spring Boot, MySQL
- Nexora – Full Stack Social Collaboration Platform**
Developed a scalable web application using React.js, Tailwind CSS, Spring Boot, and MySQL. Implemented user authentication, project management, messaging, notifications, profile customization, REST APIs, and database integration following MVC architecture.

Interests

- Backend Development using Java & Spring Boot
- Frontend Development with React.js
- Problem Solving & Learning New Technologies
